Corazón en la Maleta

Por Luis Fonsi

Ayer me cansé de tu tornillo suelto.
Me atraganté el caramelo envuelto.
No puedo más con tanto sube y baja,
Cerca de ti estoy en desventaja.

Ya me aprendí el cuento de memoria,
Ya recorrí toda tu trayectoria.
No cambiarás, el mal no tiene cura.
Me marchó en paz, te dejo con locura.

Y yo me voy, adiós, me fui y no me importa.
Nada me detiene aquí, la vida corta.
En avión, por tren, por mar, por lo que sea.
Soy feliz de haber perdido la pelea
Y te quedas con mi firma en la libreta.
Yo me llevo el corazón en la maleta.

Ya me saqué la piedra del zapato.
Ya me olvidé el nombre de tu gato.
Sordo quedé de tanto pataleo.
Me marchó en paz, basta de lloriqueo

(Uuhoooh) Adiós, me voy, no puedo más.
(Uuhoooh) Que bien me irá sin ti.

Lo mejor que me a pasado es despedirme...
Y poder decirte hoy...

En Ingles

None of This Was a Mistake

**I've got bad news for you
It was not by chance
I wished for it to happen to us
And you... you allowed for it to happen**

**I don't want you to forgive me
And don't apologize to me
Don't deny that you looked for me
Nothing, nothing at all, nothing at all
Was a mistake, Uoo, nothing was a
mistake
Nothing was a mistake at all, nothing
was a mistake**

**We can't choose our mistakes
Be it for better or worse
I didn't let you down when you came
and you... you
Didn't want to let me down either**

**I learnt the difference between a game
and sheer luck
The one that looks at you, the one that
offers themselves to you...
Nothing, nothing was a mistake at all
Nothing Was a mistake, Uoo, nothing
was a mistake
Nothing Was a mistake, Uoo, nothing
was a mistake**

Heart in a Suitcase

**I got tired of your loose screw
I choked on your hard candy
I can't bear anymore of this up-down
Close to you I am at a disadvantage**

**I've already learned the tale by heart
I followed your path
You won't change, evilness has got no
cure
I leave in peace, I leave you alone with
your craziness**

**And I leave, goodbye, I'm gone and I
don't care
Nothing keeps me here, life's short
By plane, by train, by sea, by anything.
I'm happy to have lost the fight**

**And you stay here with my signature on
the marriage license
And I'm taking my heart with me in my
suitcase**

**I took the rock out of my shoe
I forgot the name of your cat
I got deaf from so much kicking
I leave in peace, stop your whining**

**Goodbye, I leave, I can't take it anymore
My life will be better without you**

**The best thing that happened to me was
to say goodbye to you
And so I can say this to you today**
